

PNW NAVHDA 2021 PUPPY TRAINING SEMINAR

January 30, 2021

This year we hope to have 3 seminars along with the normal NA and UPT/UT training. All this will depend on the governor's regulations. Our first training seminar will be for puppies less than 9 months old. The idea is to get your puppies learning to take direction from the handler (you). It also gives them the foundation for advanced training in the future. This training should begin when you get your puppy.

Seminar Outline:

I. Review videos on YouTube/Club Library

- Fetch Training
- Whoa Training (using Marker Training)
- Crate Training (Marker Training)
- Sit (Marker Training)
- Heeling (Marker Training and other Training Aids)
- Recall (Target/Marker/Vibrator Training)
- Tracking Training

II. Setting Up Coarse Training

III. Use of Check Cords

- Videos
- Actual Bird Contact

IV. Trap Training with Pigeons

V. Things to Bring:

- Puppy
- Check Cord
- Puppy Treats
- Place for your Puppy to Stay In (Crate or Stake Out)

Seminar will start at 9:00A on Saturday, January 30 at:

Morgan Creek Farms
3283-41 State Highway 508
